

MEMORY BRICKS FOR "BRIAN'S GARDEN"

We are planning a memorial at St. John West Shore Hospital to honor, Brian D. Holod, D.O., our beloved son, brother, and friend. The site of the memorial is a triangular piece of land located near the pond, between the Medical Arts Building and the grandstand.

The Graduate Medical Education Department will plant a tree in Brian's memory. We would like the area we selected for Brian's memorial to be really special. A stone wall will be constructed with plantings of ornamental grasses, hostas and miscellaneous shrubs. There will be a stone patio with two benches. There will be a small garden area with ornamental grasses, lilies, barberry bushes. We have met with SJWSH administration regarding the project, and Montelone Landscaping will design, construct and plant the memorial garden. This garden will certainly add beauty to the landscape of the hospital and provide a peaceful area to remember Brian.

We will have "Memory Bricks" on the patio and walkway. If you would like to purchase a brick to be engraved with your name and/or a few words, we would love to include it as a tribute to Brian. The engraved bricks are similar to those used in areas of Jacobs Field. Two sizes of brick are available:

Small Brick - Cost \$20.00 – Engraving limited to 10 characters per line, limit 2 lines

Large Brick - Cost \$50.00 – Engraving limited to 18 characters per line, limit 3 lines

Suggested engraving for personal memory bricks: Tom & Sue Jones, Joseph Smith Family, or personal script, or groups: Emergency Dept., Friends in Dialysis Dept., Medical Records Staff, etc.

Please place your order as early as possible as construction of the Garden will commence in September. We would like to place the first brick order by **SEPTEMBER 11** to allow time for engraving and in allowing the landscapers to appropriately space the bricks throughout the patio and walkway design.

Please forward your memory brick order and remittance to:

Brian Holod Memorial Fund
